

Bonnygate Primary School

Learning together- Growing together

Friday 15th January 2021

COVID REGULATIONS

Just a reminder that if your child is due to be in school but someone in their household or support bubble is waiting on a result from a COVID test, then your child cannot return to school until a **negative** result has been returned. If there is a positive result within the household or support bubble then you must inform the school as soon as possible and cannot return for the full isolation period. Any children with symptoms cannot be in school, even a child of a critical worker, until a **negative** result is provided to the school. We hope you understand the measures put in place to ensure everyone's safety.

ONLINE WORKSHOPS

We have lots of online workshops happening over the next few weeks. Here is a list of them;

English

KS2: 22nd Jan - 2:15pm
KS1: 18th Jan - 1:30pm
EYFS: 21st Jan – 11:30am

Maths

KS2: 15th Jan - 2:15pm
EYFS: 19th Jan – 11:30am
KS1: 20th Jan - 2:00pm

Art

22nd Jan - 1:30pm

P.E

26th Jan - 1:45

History

21st Jan - 2pm

Singing

2nd Feb – 12pm

ABSENCES

Please remember that absence procedures still remain in place during school closures. If your child is learning from home, and becomes unwell and is unable to participate in home learning, you must report them absent via either ParentMail or StudyBugs. If your child is highlighted as vulnerable or a critical worker and is currently attending school it is even more vital that you report their absence as a matter of urgency. Please note that as a school we are following the same absence procedures and will conduct telephone calls/home visits if necessary.

COST EFFECTIVE FOOD IDEAS

We have found some great websites that provide cost effect food ideas that also taste delicious!

MOCKTAILS

If you are lost for ideas of fun things to do with the children during lockdown, how about having a fun mocktail night!

Watermelon 'Mojito'.

¼ piece watermelon flesh

2 limes, thinly sliced

Handful fresh mint

Coconut water

Honey or agave syrup to
sweeten

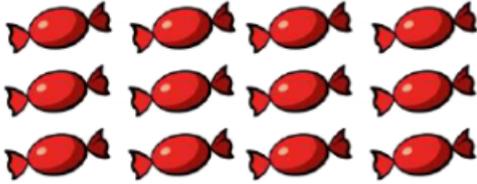

Create your
future 

MATHS PROBLEM OF THE WEEK

KS1 Maths Problem of the Week

1 Danny has 12 sweets.

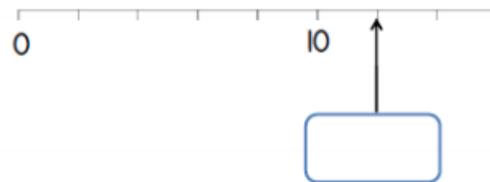

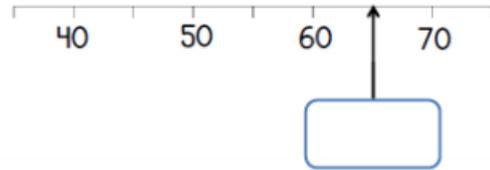

He gives Jess a quarter of the sweets.

He gives Mani 5 sweets.

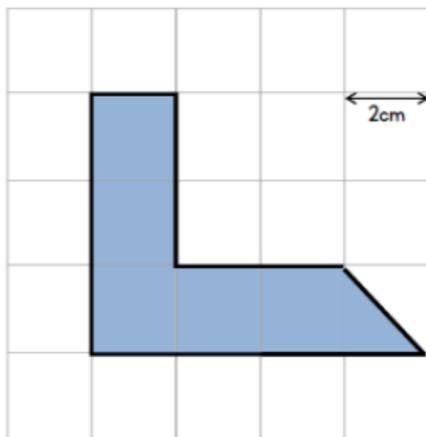

How many sweets does he have left?

2 What number is each arrow pointing to?

KS2 Maths Problem of the Week

1 A shape has been drawn on a 2cm by 2cm square grid.

Find the area of the shape.

2 Sue has some counters.
A quarter of the counters are green.

She gives $\frac{2}{5}$ of the green counters to her friend.

She has 24 green counters left.

How many red counters does she have?

Please email all answers to the problem of the week to either hazelyear2@bonnygateprimary.co.uk or elmyear6@bonnygateprimary.co.uk

Week done to last week's winner's: Shivanna, Tanisha, Lena & Kelvyn
