Learning together- Growing together

Friday 12th January 2021

COVID REGULATIONS

Just a reminder that if your child is due to be in school but someone in their household or support bubble is waiting on a result from a COVID test, then your child cannot return to school until a **negative** result has been returned. If there is a positive result within the household or support bubble then you must inform the school as soon as possible and cannot return for the full isolation period. Any children with symptoms cannot be in school, even a child of a critical worker, until a **negative** result is provided to the school. We hope you understand the measures put in place to ensure everyone's safety.

ABSENCES

Please remember that absence procedures still remain in place during school closures. If your child is learning from home, and becomes unwell and is unable to participate in home learning, you must report them absent via either ParentMail or StudyBugs. If your child is highlighted as vulnerable or a critical worker and is currently attending school it is even more vital that you report their absence as a matter of urgency. Please note that as a school we are following the same absence procedures and will conduct telephone calls/home visits if necessary.

RESOURCES OUTSIDE THE OFFICE

We would like to remind you that there are resources outside the school office each day for you to collect should you need them. There are also pre-recorded teaching videos on our website under children and then child's year group. Also every Friday afternoon we will be leaving fruit outside the school office should anyone want to come and collect some.

E-SAFETY

Just a reminder to make sure you are staying safe online during lockdown. Here is a useful link for useful tips to keeping safe.

POLLING DAY

On Thursday 6th May the school will be closed for Polling Day. All pupils will have to access online learning from home.

WRITING COMPETITION

Writing Competition

This is your opportunity to write about your experience. You can submit a piece of writing about what life has been like in lockdown and during the coronavirus.

This could be a personal experience, a poem, or a creative story. All of you will have had a unique experience that is only yours, and only you can capture in words.

Your work will then be read by staff at Bonnygate, who will then pick out the best entries from your year group. These entries will then be included in a book published 'Bonnygate's Lockdown 2021.'

**Well done on your
home learning!**

LIVE SESSIONS

After half term we will be holding more live online sessions for the children. There will be two English, two Maths and one catch up session each week. Keep a look out for these invites coming from you're the teachers soon.

GOOGLE LOGIN

If you have not already received an email with a Google login then you will receive one over the next few days. Please just keep hold of this for the time being and we will send out more information after half term.
