# THE RA YOUNG ARTISTS SUMMER SHOW

As you may know Kai in year 6 was recently given an amazing opportunity to have his art work displayed in The Royal Academy of Art in London.

On Saturday 10<sup>th</sup> July, Kai and his family and friends were given the opportunity to go and have a first look at the Young Artists Summer Show expedition.

The expedition is now available to view for free to the general public. It consists of original art made by children aged 3 to 19.

The RA had over 33,000 submissions from across the UK and beyond. The judges were overwhelmed by the talent on display, and all expressed how difficult they found selecting the 572 artworks now exhibited online and in person at the RA.

I created this painting as I love my mum and I love making art. I painted this from memory and I wanted to paint my mum as she is very special to me and she always looks after me no matter what. I love her very very much!
