NEW WEBSITE FOR PARENTS TO BOOST CHILD'S LEARNING AND WELLBEING THIS SUMMER

We've launched a brand new site, designed especially for parents, with the support, information and resources they need to help their children enjoy the summer holidays and prepare for the next academic year.

The site features links to programmes, activities, resources and videos to boost children's learning and wellbeing aimed at parents of 0-19 year olds, with extra information for parents of SEND children. Please share this site with families and carers in your school community.

[Visit educationcatchup.campaign.gov.uk](https://educationcatchup.campaign.gov.uk)

Families can also explore themed activities in their local area and nationally with the [Rediscover Summer](#) campaign, from sport and creativity to nature and heritage.

STUDYBUGS

Please remember that we are using StudyBugs as a way of reporting your child's absence. If you haven't already, please get the free Studybugs app, or register on the Studybugs website, and use it to tell us whenever your child's ill and unable to attend school.
